Notes Of Interest

Lacrosse International is a local Lacrosse Store in Downingtown, PA. They have supplied our program and have offered us and our players good discounts and prices. The link to their website is: www.laxzilla.com . If you click on “contact” you will see a map with directions.

U.S. Lacrosse is our governing organization for lacrosse. They offer memberships for \$20.00+/- a year. This annual membership gives you secondary medical insurance, 8 issues of Lacrosse magazine, 10% discounts on U.S. Lacrosse merchandise, it qualifies you to participate in sanctioned U.S. Lacrosse tournaments and camps, and most importantly you are sponsoring the growth of lacrosse. Many U13 & U15 players join to be eligible for the tournaments and programs run outside of ours. One event would be the Cockeysville Tournament. Another would be the Keystone games. We would encourage U15 players who would like to advance in lacrosse to join. The link to their website is: www.uslacrosse.org .
